National Conference Chair's Report

The National Conference in Edmonton is fast approaching (June 15th-19th) and we are very excited about this years festivities! We have a great time planned for all and hope this will be positive experience for everybody!

We have confirmed our Opening Keynote Speaker to be Entertainment Lawyer/Artist Manager/ Record Label Owner CHRIS TAYLOR. Time Magazine recently dubbed Chris Taylor as one of Canada's "movers and shakers who are building the entertainment industry". Billboard Magazine repeatedly cites him as one of the country's most influential music lawyers. Chris works with such artists as Avril Lavigne, Nelly Furtado, Billy Talent, Metric, and many other top artists from around the world.

This year's showcases will blow your socks off!!! You are going to find the showcases to be the cream of the crop with such performance and presentations from "Never Ending White Lights", "Inward Eye", "Robin Milhausen & Michael Cho from SEX TOYS & CHOCOLATE", "Country Music Sensation Aaron Pritchett" and many more!!!

The COCA Awards Show will once again be the talk of the town. Trailer Park Supervisor and Assistant Trailer Park Supervisor Mr. Lahey & Randy (John Dunsworth & Patrick Roach) from THE TRAILER PARK BOYS have taken some time out from their busy schedule of dealing with the SHIT-HAWKS from the Sunnyvale Trailer Park to come host this years Awards Show. We will also have special performances by WIL and THORNLEY!

What has become one of the special moments at the conference, the SINGER SONGWRITER CIRCLE will not disappoint. We have confirmed Holly McNarland, Brian Byrne (From I Mother Earth), Melissa McClelland, and Tomi Swick to share their music and the stories behind their songs.

Please make sure to sign up for our Pre and Post Conference Activities. We have had a huge response for the Hockey Game and the Jasper Trip so make sure you sign up early so you don't miss out!

More information on Education Sessions and other Keynote Speakers will be released to you shortly by email and on-line at the COCA website (www.coca.org) - click on National Conference logo at top of main page.

EASTERN DIRECTOR'S REPORT

The East has been super busy this year. We started with a very successful Campus Idol first semester, which saw Patricia Read from Saint Mary's University take the title as Eastern Idol. A few schools were also able to partner up with Canadian Idol when they came to Halifax. These schools had their participants from Campus Idol try-out for the Canadian Idol judges.

More recently, the East just wrapped up our Campus Music Explosion
(CME East) and Dalhousie's "The Chronicles" beat out the bands from 4 other schools to win the Eastern Prize. Currently the East is working on some initiatives to get our (CME) winner, The Chronicles, to Edmonton for the CME showcase at the National Conference.

We had two regional meetings during the year that went very smoothly and proved quite useful to the participants. There were open forums for discussion where various issues came out, including getting bigger entertainment out East at different times of the year, and of course, reviewing the best and the worst of this year in programming.

Second semester was packed with live music at most schools and the live music scene was certainly energized by two big events, the ECMA's held in Charlottetown, and the JUNO's held in Halifax which some lucky COCA members got to enjoy and share in the big JUNO scene for its first trip out East.

Please get in touch anytime and I'm looking forward to seeing everyone in Edmonton for another great COCA National!

CENTRAL DIRECTOR'S REPORT:

Entertainment & Operations Manager
Nipissing University/Canadore College Student Centre
Phone: 705-474-3461, x4366

The Central Region has been a whirlwind of activity this year. There was an abundance of Music tours with the likes of Sam Roberts, Bedouin Soundclash, K-OS, Alexisonfire, Theory of A Deadman, Matthew Good and Yellowcard (just to name a few) playing sold-out shows on most campuses. Comedy/Variety/Lecture was strong this year with the Trailer Park Boys, Sex Toys and Chocolate, Sex with Sue, Dan Valkos, Tony Lee and Rick Campanelli amongst many others entertaining our students throughout the year.

Another trend that did well was The Student Poker Challenge and Campus Idol with winners in each being crowned in the spring. Big thanks to Terri Edmonstone at Georgian-Barrie and all of the people who helped work on those programs for COCA. Congratulations to the winner of this year's Central/Western Campus Idol – Tina Calzonetti from Niagara College.

More recently, Central just wrapped up our Campus Music Explosion
(CME Central) hosted by Crystal Adair at York University, with the winner heading to Edmonton for the CME showcase at the National Conference. Big Thanks to Josh Clark and his team for facilitating this event through the College strike. The top three bands were: 1st Place – Fanshawe (The Hoolie Snatch), 2nd – McMaster (Charlemagne), and 3rd – Western (Bordertown).

We also had a regional meeting in early November hosted by Crystal Adair at York U that went very smoothly and proved quite useful to the participants.

I hope everyone had a successful and fulfilling year and I look forward to hearing from everyone at Broke-Back COCA in Edmonton!

ASSOCIATE DIRECTOR'S REPORT

The last year has gone by quickly and another national conference is fast approaching. Looking back on the last few months I am happy to say that I feel we have completed some benchmark achievements. Most notable of which is the solidifying of our relationship with NACA.

Through the efforts of Earle Taylor, Fabian James, the Government of Canada and the Board of Directors, we were able to meet with the heads of NACA and come to common ground on the principals of building a tighter relationship between the two organizations.

I am confident that this will do two things for COCA: (1) increase the Organization's profile enabling it to better apply for grant monies and in turn create a more robust and effective base to support its school and associate members; and (2) this relationship will make it easier for associates to look into the US market. While the seeds are being planted for this relationship, it will take ongoing dialog and exchange between the two organizations in order to realize its full potential.

We have also had similar conversations with our equivalent organization in the UK. This looks to be a promising relationship as well but will likely take longer to bring to fruition. In both cases COCA has taken a leading role in negotiating and facilitating these discussions.

Another focus of the COCA Board this year was to improve the quality of Ed Sessions at the regional and national level. This will be an ongoing task that will require the participation of the associates, school members and the Board. In short we have identified that this is an area of value to all people involved with the Organization and that more effort must be applied to improve the quality of education provided at COCA conferences. More focus will be placed on all aspects of programming and less on "buying the big band and agents". We welcome your input on what you would like to see in this regard.

All in all it has been a good year for the Associate Members and for COCA.

See you in Edmonton.

PAQUIN ENTERTAINMENT:

Steven Himmelfarb, agent at Paquin Entertainment, will be taking over as COCA representative. After being an agent for only 10 months he's quickly signed several of Canada's hottest new acts (Final Fantasy, Islands, Cadence Weapon, Bell Orchestre, etc). Freshly out of University himself, he's been promoting shows in Ontario for years, runs his own 'side-project' record label, Permafrost Records and sadly regrets he won't be able to make the conference this year but will be there in spirit.

DAN VALKOS:

Hey everyone!

Dan Valkos here. Just finished my gig at Algonquin. (I was fantastic as usual.) And was curious as to how many gigs I have done with since I joined COCA.

I couldnt believe it! Algonquin was my 675th school since I showcased in 1989. In the last 18 years I have met and become friends with many of the programmers and am looking forward to making many new friends as well.

My television show is running great in its fourth season and feel it should run for a long time still. I am still on my farm and still am doing my Psychic stuff.

Anyway, lookinf forward to seeing everyone in Edmonton this year.

Take care and have fun.

Dan Valkos

SANTINI:

Santini: The Dark Master of Escape www.thedarkmaster.com

The end of last year and the first few months of this year have been a flurry of professional accomplishments for Steve Santini, aka "The Dark Master of Escape."

New Years Eve saw Santini as a featured performer on Canada's New Years Eve Bash filmed live at Nathan Phillips Square in Toronto and broadcast nationally across Canada.

At this event, presented by the CITY TV, CHUM Television, and i STAR TV networks, Santini successfully escaped from a locked steel bank vault that was being blasted on three sides by propane flamethrowers, turning it into a virtual oven!

The escape was witnessed by over 35,000 live audience members and was broadcast by satellite across Canada to over 15 million viewers.

In the month following the New Year's broadcast, Santini was officially named, "The World's Most Extreme Escape Artist" by the legendary, "Ripley's Believe it or Not!" and a full page spread on his work and career will appear in the soon to be released Ripley's book, "Expect the Unexpected!"

The last few months have seen performances and tours by Steve Santini in Germany and the Dominican Republic and he has also been busy putting finishing touches on a script treatment for a new reality series he will star in called, "Get out of THAT!"

This new weekly series will see Steve trying to overcome bizarre and unusual escape challenges submitted

Associate Members Updates:

by members of the viewing audience with a different escape challenge being tackled each week.

All in all it has been a very busy start to the year for the Dark Master of Escape and Steve look's forward to finding the time to perform at a number of COCA member campuses in the not too distant future.

Check out the website for more info & updates!

Norman Nawrocki:

Responses to the Spring 'sex' show tour of 'Lessons from a 7ft Penis'
were fabulous -new campuses and old, and especially from appreciative students. (Like the girlfriend who wrote to me to tell me she was about to dump her boyfriend, but after seeing the 'Lessons' show together, he totally changed his attitude in the bedroom and made her one very happy woman!) Again, a major thank you to all my partners out there.
I appreciate your support. Now booking the Fall 06 tour.
(Please remember: all four of my 'sex' shows - 'I Don't Understand Women!';
'My Dick & Other Manly Tales;' 'Sex Toys!' & 'Lessons' are always available.)

NEW CD
Meanwhile, here in Montréal, I just launched my newest CD - my 19th - 'Letters from Poland/Lettres de Pologne' - a 45 minute, bilingual collection of letters extracted
from my last book of short stories ('The Anarchist & The Devil Do Cabaret,' Black Rose Books, 2003). Think evocative, ambient, East European flavored, original, instrumental music, with spoken word. I play violin, viola, accordion, piano and tsymbaly (a Ukrainian traditional 142 stringed instrument). The letters (1937-1997) are from an eccentric Polish uncle to my father in Vancouver, and speak about the war, anti-Nazism and brotherly love. I'll tour Quebec with the album this Summer.

NEW BOOK
A new, 300 page, French translation of my last book, entitled, 'L'anarchiste
et le diable' (Lux Editeur, 2006) comes out this month. Again, I'll tour Québec and
francophone communities across Canada later this Summer and Fall, and Europe as well. Otherwise, I'm working on a collection of essays about my creative work, and a new book of poetry.

PART TIME FACULTY
I started teaching part-time at Concordia last Fall, in the School of Community
and Public Affairs, and will continue in between future touring.
I teach a grad-level course about the arts and community economic development.

See everyone in Edmonton for some pierogies!
Norman

THE JOYS

Hey COCA Members,

It's been another great year for The Joys! We've been keeping close to home as we're working our new CD that's so far untitled. It's going to be a killer rock record, and we're happy to be getting away from the bubble-gum-pop-stuff we've been doing in the past. Producer, Tom Treumuth (Helix, Honeymoon Suite, Kazzer), has really found the sound of the band.

This year, we had the pleasure of returning to most of the Ontario schools we played at in the past, and a few new ones. The movie, CAKE starring Heather Graham that featured The Joys song 'Do I', finally hit theatres and can now be found on rental shelves. Also, if you attended any NHL games this year, you might have heard The Joys in a new Play Station 2 commercial.

Unfortunately, we're not going to make it to the National Conference this year. We just really want to keep focused on this new CD, which we're expecting to be done by the end of the summer. While you're at COCA, please be sure to stop by the Feldman booth and pick up a live video of the band. Hope to see you all in the fall … if you book us! ☐

Sincerely,
The Joys: Sarah, Mike, Shawn, Archie

CAMPUS IDOL (EAST):

MSVU Hosts First-Ever East Coast Campus Idol

November 15, 2005, Halifax - Mount Saint Vincent University (MSVU) will come alive with the sound of music this Friday, Nov. 18 at 8 p.m. The Halifax university will make history as it hosts the first-ever East Coast Campus Idol.

Competitors from universities around the Maritimes will take the stage at the Seton Auditorium to compete for this coveted title.

"It's going to be an amazing show," says Matt Currie, Vice-President Student Life at MSVU. "We're going to have some of the best, undiscovered talent in the region on one stage. Move over Kalen Porter and Melissa O'Neil!"

Campus competitions were held last month at Dalhousie University, Saint Mary's University, Mount Allison University, St. Francis Xavier University, Cape Breton University and MSVU to determine who would represent their school. MSVU's Campus Idol drew crowds of more than 200 to the campus pub every week. The finale was held on November 2, where Lindsay Smith was selected to represent MSVU. Now Lindsay and her five competitors will vie for the top spot in the region.

Cyril Lunney from CTV's Breakfast Television will host the event. Celebrity judges include former Canadian Idol hopeful Kaleb Simmonds, country singer John Morgan and Shane Ross, Entertainment Editor with HFX News.

Tickets are on sale now at the various universities. They are $3 for students and $5 for everyone else. The ticket price also includes access to the after-party at Vinnie's Pub in MSVU's Rosaria Student Centre, where Simmonds will also perform.

"This could be just the beginning," says Currie. "Similar competitions are being held in Central and Western Canada. Who knows, one day we might even have a Canadian Campus Idol."

The winner: Patricia from SMU. She won a trophy, 200.00 spending money and a trip for 2 to montreal.
2nd Place: ST. F.X. She won a lush prize pack, and a trip to Moncton.

3rd Place: Mount Allison. She won a lush prize pack, and a gift certificate for a free night in a hotel in downtown Halifax.
