

Dear COCA Friends:

On behalf of the McMaster Students' Union, Algonquin Students' Association and the University of Windsor's Student Alliance, we would like to extend the invitation for all schools to participate in the 2010 Central Region Campus Music Explosion event.

The 2010 Sub-regionals will be held in Ottawa at Algonquin College and Windsor at The University of Windsor. The top 2 bands from each sub-regional will attend the Finals at McMaster University.

If you have the intention of registering talent from your school in the CME's, please complete your registration form and submit it as soon as possible so we can start planning (we would like to get an idea of the number of schools competing by Feb 26th, 2010).
