## COCA BIO USAGE

All biographical and descriptive information is accepted and published by COCA on the representation that the submitting agency is properly authorized to publish the entire contents and subject matter thereof, and that all necessary rights for usage of such material have been obtained by the submitting agency. It is understood that the submitting artist or agency will indemnify and hold COCA harmless from and against any loss, expense (including attorney's fees), or other liability resulting from any claims or suits for libel, violation of privacy, plagiarism, copyright infringement and any other claims or suits that may arise. Factual errors in the information are the sole responsibility of the submitting agency.
