

NIAGARA FALLS JUNE 2-6, 2014

Wet 'n' Wild !!

Join us for an EPIC wet & wild whitewater adventure! Experience one of the world's seven wonders from the best seat ever....on board a 1600 horse power jetboat.

COCA National Conference attendees can kick-start their conference activities with this great experience. The first 50 School Member delegates to sign up receive the jetboat trip for FREE! This is a value of \$70. **You will get totally soaked.**

The trip departs from Niagara-On-The Lake and will be 1 hour of wetness as you encounter Class 5 whitewater. Return transportation between the conference hotel in Niagara Falls and Whirlpool Jetboats is available at a low cost of \$20.00 per person.

The shuttle bus will depart Marriott Gateway Hotel in Niagara Falls at 11:30 am, arriving at Niagara-On-The-Lake by 12:00 noon, allowing ample time for the trip safety briefing and preparation. Water shoes, lifejackets, and ponchos will be provided for you at no charge. Lockers are also available to store your dry (post trip) clothing.

We will return to Niagara Falls by 4pm, in time for the start of the conference program.

Jet Boat - more seats? COCA Associates and School members who missed the first 50 spots, can still sign up! We can offer additional seats at \$65.00 per person including round-trip shuttle service. (A minimum of 40 required for a second boat; or fully refunded.)

Proudly Sponsored by:

To qualify for sponsored seats, participants must be members of COCA registered to attend the COCA conference in Niagara, June 2014 as school delegates. There are a limited number of free and paid seats available.
