Floor Plans and Capacity

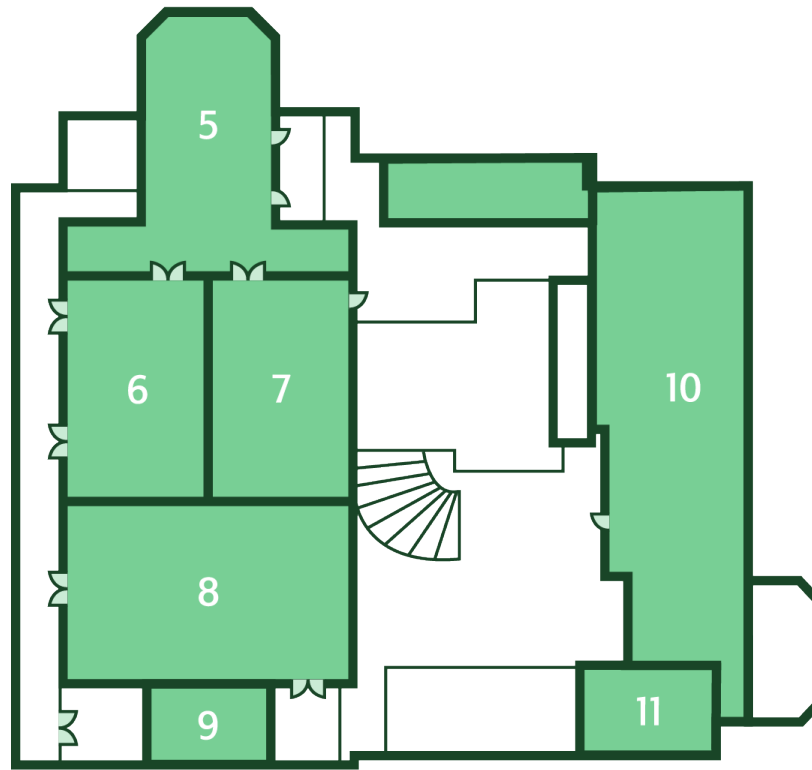

Find the right spaces for your next Meeting, Event, or Executive Retreat. Floor plans and capacity charts are an event planners most valuable tool, for a printable copy of the floor plans see the bottom of this page.

The Marriott Gateway on the Falls has approximately 40,000 square feet of fully-wired and WiFi accessible function space. With 23 meeting rooms of varying sizes throughout the hotel, we can accommodate groups of all sizes.

- We offer a columnless ballroom with built-in stage and screen which holds up to 1,200
- Banquet menus and themed parties available
- Exhibit tables, staging, equipment and a wide variety of setups available
- Delegate amenities
- On-site AV team
- Spousal programs
- Able to accommodate up to 65 exhibitors for a tradeshow event
- Easily accessible receiving and loading dock makes the load-in and tear-down hassle free
- Valet parking is available for your convenience
