

Hello COCA members!

This academic year we want to highlight your creativity with our very own DIGITAL POSTER GALLERY PROJECT called the COCA SHOW-OFF'S. We want to showcase the creative promotion of your events, campaigns, announcements...whatever! If it's cool, hip and creative, we want to display it.

Send us a jpeg copy of your posters throughout the year and we'll add them to a digital gallery we'll create on the COCA Facebook Page. Then at the 2018 COCA National Conference we'll feature your schools creativity in our poster gallery inside the hotel. With the help of a panel of judges we'll also announce the top 3 creative designs at the National Conference Awards Banquet.

There's no restriction to how many posters a school can submit or for what the poster is for. If you've got a creative job announcement poster...we want to see it! Additionally, posters can be any size and can include flyers, postcards or banners.

So start sending us your creatives so we can show the rest of Canada just how talented our schools are.

Send submissions to Kenney.Fitzpatrick@msvu.ca and let's start showing off your creativity!

ADD YOUR POSTERS TO OUR GALLERY!

Help Us Show Off Your School!
